2

**Characteristics of missional church plants**

- Cultural relevance. The teachings of Jesus are more relevant today than ever.
- Living faith - live out our faith in the places we live out our lives.
- Authentic community - knowing and being known.

3

**Characteristics of missional church plants**

- Life-long discovery - always new things to learn about God, ourselves and the Bible.
- Growth opportunities - discipleship, ministry, leadership.
- Multiplication – churches planting churches
- Strong, healthy and visionary leadership.
